WHAT WE DO

Cullum Design offers an interior furnishing service designed specifically to assist property owners gain the maximum from their property; whether it be a show home within a development, a private residential sale requiring staging or a time pressed investor looking for a bespoke furniture package.

Our in-house designers will create an interior that will enable you to maximise on your property's return in terms of quality, finish and cost.

Attention to detail is paramount. Each project is individually tailored to the brief and budget in order to maximise on your investment, whether you are looking for Purchase or Rental options.

As a small family business we deliver exceptional service:- from collecting keys, overseeing logistics, to liaising with agents to make sure deadlines are met.

OUR SERVICES INCLUDE

Home Staging Services

Relocation Services

Furniture Packages

"Cullum Design offered a superb staging service - a very good mix of interior design and well chosen furniture. The project was run smoothly from start to end, with no problems or issues along the way. I strongly recommend them."
